BUILDING FOR THE FUTURE

Albany School Bond Issue

By KENNETH M. FORRY, Superintendent

The Board of Education of the Albany Schools has called a Bond Issue for Tuesday, May 28, 1963, in the amount of \$995,000. The bond money would be used for the replacement of obsolete, structurally unsound buildings and equipment, and the main classroom building and do necessary site work.

The Educational Plant. Albany High School buildings were constructed during the 1920's and 1930's, some never planned for use. The time has now come to ask — "Can we meet the educational needs of Albany High School students in the years to come in buildings and with equipment 30 or more years old?"

During the past several years the Board of Education has made diligent efforts to improve equipment. Much progress has been made but it is apparent that bond money is needed if the high school is to move ahead.

The Board of Education and the teaching staff is of the opinion that an efficient teaching job cannot be done in the 1960's and 1970's in a high school building as old as ours.

The Future. Knowing that Business and Industry are making rapid changes, Albany High School needs a remodeled Commercial Department and a reconstructed Industrial Arts Department that will give our students the opportunity for better training, both in the classroom and in the shop.

Chemistry and physics laboratories are either poorly designed or so small that they do not do the job required. The large bond student simply cannot have reasonably modern equipment and space if he is to compete successfully in college.

University with the other young people who graduate from our more modern neighboring high schools.

Foreign Language instruction in the Army has taught us the value of the language laboratory. Colleges and Universities increasingly are emphasizing skill in speaking French or Spanish. Equipment needed at Albany High School is lacking, it is true.

Prizes donated by the Albany Rotary Club were awarded to the following high school students: Kevin Glading, Kristine Weber, George Babich, Victor de la Cruz, Stephanie Klose, Bob Sheldon, Muriel Arkley, Bill Porter, Karen Fossellus, Richard Rago, Carl Fossellus, Bill Shaw and Karen Downing.

Prize winners at the Cornell School Science Fair are as follows: Cynthia Maberry, A. Acursio, S. Corvello, Geoffrey Lawrence, Steve Lawrence, Yuki Ioup, David Skinner, Joan Mafengo, Connie Imada, Kort Longpre, Cathy Perry, Michael Morgan, Carolyn Bielski, Fong Chan, Duff Whipple, Ron Anderson, Marsha Saxton, David Crysdale, Sandy Spelevo, Janice Butts.

Unbelievable as it may sound — it's true. When you purchase the new SANITRONIC VII you receive the equivalent of NINE separate pieces of equipment for the price of ONE. And here they are—

1. A pest control unit
2. A spray gun
3. A Suds O' Gun for shampooing
4. A complete tank machine
5. A fabulous hand portable
6. The amazing Kirby upright
7. An electric floor duster for bare floors
8. A paste wax applicator
9. And a polisher that is second to none.

Now, for those of you who would like to see this amazing piece of equipment, just dial 524-3015 and we'll send one of our demonstrators out to show it to you. He will also have contracts with him in case you want to take one away from him. Naturally the payments are low.

ALBANY HIGH SCHOOL BAND

Albany High Band Concert Spotlights Dance Music

Proclamation

WHEREAS, the Week of March 17 to 22, 1963 will be observed as "ALBANY HIGH SCHOOL BAND WEEK"; and

WHEREAS, the Albany High School Band will present its Seventeenth Annual Free Concert, entitled "BAND SHOW, 1963" featuring dance music from the Renaissance to Blues and Dixieland of the Present Day, thus deviating from the usual repertoire of Band music and revealing the excellent musical versatility of the students; and

WHEREAS, I believe, inasmuch as the Albany High School Band has so generously, numerous and rhythmically performed on many occasions and to the benefit of many causes, the citizens of Albany should lend full support and encouragement by attending the "Band Show Concert" to be held at the Albany High School Gymnasium at 8 p.m. on Friday, March 22, 1963.

NOW THEREFORE, I, Joel W. Parker, Jr., Mayor of the City of Albany do proclaim the week of March 17 to 22 as Albany High School Band Week and urge everyone to assist in the promotion and progress of this Band, and further cordially invite everyone to attend the Band Show Concert.

In witness whereof I have hereunto set my hand and caused the seal of the City of Albany, County of Alameda, State of California, to be affixed this 11 day of March, 1963.

Joel W. Parker, Jr., Mayor, City of Albany

JOHN AND LENA CORREIA, 730 Cornell Avenue, held a garden party at their home following the christening of their daughter, Anna Maria Correia, at St. Ambrose Catholic Church, Mr. and Mrs. John Mullarkey of 1008 Cornell Avenue served as Godparents. Mr. Correia is a member of the staff at the Albany U.S. Agricultural Laboratory.

Compromise By Waldie No Solution For Albany

"Any compromise between Assembliesman Jerome Waldie and BARTD will mean nothing to many cities of Contra Costa and Southern Alameda counties," said Alex Gaeta, Chairman of the Citizens For Reconsideration of Rapid Transit Taxes. "It is only a 'promise' to extend lines to these areas, but BARTD does not have that power being restricted legally to their composite report which was approved as Proposition 'A' last November."

Gaeta added, "It not only is illegal, but holds up false hopes for many communities that will receive no service under the existing BARTD setup. The only practical way to end the badly conceived, very costly, self-perpetuating BARTD is to dissolve it, and get a transit district elected and responsible to the people alone."

Gaeta continued, "BARTD's compromise with Waldie is entered into in bad faith because they are promising to extend the system FIRST to Eastern Contra Costa County (which pays for BART) before San Mateo County

Civic Night Scheduled By Eagles

A Civic Night, honoring the Mayors, City Councilmen, City Officials and Clergy of Albany and El Cerrito is scheduled by the Bayview Aerie 2323 F.O.E. at the Aerie Hall Saturday, March 23, 8 p.m.

Using the theme: "Let's Get Better Acquainted", the agenda for the evening will include speeches by Kent Pursel, Chairman of the Board of Supervisors, and City Mayors, Joel Parker of Albany and Wayne Boblett of El Cerrito.

Robert Dennis, of the Albany Unified School District, will introduce foreign exchange students Thirly Dadachanji, Judy Stocking, and Karen Ingenthron of Albany High School, and Raquel Celasso and Mehmet Savas of El Cerrito High School.

The evening program will officially open with a welcome by Worthy President John Noe and Madame President Kathryn C. Hightman of Bayview Auxiliary 2323, F.O.E.

The Bayview Aerie 2323 has felt, for some time, that participation of the sister cities, Albany and El Cerrito, in a civic program would please and benefit the community. Committee chairman Roy Jaeger and Bill Donahue, Cal DuCharme, John Noe, Bill Lacy and Jerry Snider have carefully planned the details for this first scheduled Civic Night. Working with them have been Auxiliary President Kathryn Hightman and her committee: Ada Townsend, Outside Guard of the State Auxiliary; Lydia Woodstock, Auditor of Bayview Auxiliary; and Bobbie Mettra, Secretary of the Auxiliary.

The public is urged to attend and "Let's Get Better Acquainted."

Albany Schools Bond Boosters Elect Runnion

A group of Albany citizens met Monday night in the Cornell Cafeteria and organized the Albany Schools Bond Boosters to promote the forthcoming school bond election scheduled for May 28, 1963.

Barry Runnion was elected Chairman of the citizens committee to be assisted by Mrs. Dan Moody as Treasurer, Mrs. Roy deGiere, Secretary, Mrs. John Larimer, Publicity, and Edmund J. White, Public Information.

The next meeting of the Bond Boosters Committee is scheduled for Monday, March 25, at 7:45 in the Library of the Cornell School. The public is invited. Those present at the Monday night meeting were: Howard Heath, Dick Rodda, Harry Price, Chris Van Eckhard, Mrs. Ise Groz, Mrs. George Ferreira, Don Phil, George Johansen, Bob Nehls and Charles Pinkham.

High Twelve To Hear Anderson

The Albany High Twelve Club will meet at noon on Friday, March 22, at the Red Barn Restaurant. The speaker will be Dr. Arthur B. Anderson of the University of California Forest Products Laboratory in Richmond, speaking on the subject, "California's Gold Mine — Wood Waste."

Dr. Anderson is a specialist in the use of forest products. He is a graduate of the University of Wisconsin where he majored in organic chemistry. He held a graduate fellowship at the U. S. Forest Products Laboratory.

Gaeta concluded, "Since this is a citizens' effort to stop a nearly \$2,000,000,000 tax grab, we need more volunteers to circulate petitions."

Mrs. Adele Bachman has been named Albany chairman for petition carriers. Anyone wishing to sign a petition may call LA 5-0218 or LA 5-9219. Petitions may be obtained by calling LA 5-8757 or TE 6-1886.

Over 50,000 names have been secured within less than a month. 200,000 are required to call an election to dissolve BARTD and replace it with an elected Transit Board.

COUNCIL AUTHORIZES PARK AND RECREATION TO MAKE PARK STUDY

Routine business comprised the agenda of the Albany City Council on Monday night, March 18, with the exception of one item introduced by Councilman Joe Carlevaro.

Carlevaro moved the Park and Recreation Commission make a feasibility study for a park site on Albany Hill. On the question, Councilman George Hein stated that this program had been under consideration, off and on, for fifteen years, and in the meantime property values and build-

ing had increased. Eventually the hill area would be beyond the reach of the city for park programming. The motion was passed unanimously.

In other business the Council adopted Resolution No. 63-12, appointing Ivan Braun as temporary Animal Control Officer; Resolution No. 63-13, authorizing the Mayor to sign an agreement with the School District for use of the dining room during the 1962-63 school year; Resolution No. 63-14, authorizing the Mayor to sign an agreement to permit purchase of surplus material for the Library not to exceed \$50.

City Administrative Officer James Turner was advised to make a study of the hill area as a safety measure since rains have dislodged rocks.

Variances at 906-14 Cornell Avenue, 534 Kains Avenue, and 1072 Peralta Avenue were granted.

A letter of commendation will be sent to Public Health Nurses Frances Tilbury and Freda Hanelt for the successful coordination of the Albany Polio Clinic on March 10, 1963.

Resolution No. 62-10 opposing AB 889, cessation of charter bus service by AC Transit, was tabled.

George H. Haley Promoted At Berkeley Savings

GEORGE H. HALEY

George H. Haley, Vice President and Chief Loan Officer of Berkeley Savings, Home Mutual Savings and Pioneer Investors Savings, has been elevated to the post of Senior Vice President of these three institutions.

In announcing the appointment, Sherman Miller, Executive Vice President and Managing Officer of the three savings and loan associations said, Haley will be responsible for the association's real estate lending program, which presently is lending in excess of \$25,000,000 per month on Northern California properties.

Prior to joining the associations, Mr. Haley was principal owner of the George Haley Company, a mortgage banking firm in Los Angeles. He had previously served as chief appraiser for Glendale Federal Savings of Glendale, Calif.

The party given at the Senior Center on Friday evening, March 8, was a great success. The theme was "A Night in Hawaii." Henry Ingraham, assisted by his wife, was the M.C. He was dressed for the occasion, even Hilo Hattie could not have looked more realistic than Henry.

In addition to the Hawaiian dancers, acrobatic numbers rivaled the talent seen on a television screen. Jean's Dance Studio is to be commended for her success in training these youngsters. All the Seniors hope for a return engagement in the near future.

Refreshments completed a very enjoyable evening.

Saturday night, March 9, was the playoff for the winning Pinocchio Tournament team from the Center, Olive Alspach and Maria Olivero, against the winning team from the Oakland Mr. and Mrs. Club, Albert Scharf and Helen Stricker. The great Center team did not win but the Seniors agree that the best players won and deserve the Trophy.
